There has been a change in institutional reporting requirements under federal law.

Beginning with tax year 2018, Box 1 will report the total amount of **PAYMENTS received** for qualified tuition and related expenses during the calendar/tax year. **In previous years**, your 1098-T included a figure in Box 2 that represented the total amount of **charges BILLED** for qualified tuition and related expenses during the calendar/tax year.

Mississippi Delta Community College is unable to provide tax advice; if you have questions, you should seek the counsel of your tax preparer or your accountant.
