

FIELD CROPS CAREER CERTIFICATE

Field Crops is a program of study that provides students with a common core of management skills and additional training related to the production of field crops, weed, insect, and plant disease control. Computer based activities are used from the internet and appropriate agricultural related software packages.

Admission Requirements

Students must submit a composite score of 15 or higher on the ACT. Exceptions may be made with instructor permission for students who do not meet entrance requirements. In addition to this ACT requirement, re-admit or transfer students must have a 2.00 cumulative grade point average.
