

NOTICE OF VACANCY

Culinary Arts Technology Adjunct Instructor

REPORTS TO: Dean of Career-Technical & Adult Education

DESCRIPTION OF POSITION: At Mississippi Delta Community College (MDCC) we value the ability to serve students from a broad range of socioeconomic backgrounds, genders, abilities, and orientations. We prioritize applicants who demonstrate they understand the benefits a diverse student population brings to a community college. The successful Culinary Technology Adjunct Instructor will be an equity-minded individual committed to student success by collaborating with faculty, staff, administration, students and community partners who support the institution's mission.

The Culinary Arts Technology Adjunct Instructor will provide a solid foundation in the methods and science of cooking through exposure to classical, American, and international cuisine, as well as the art of baking and pastries. Special emphasis is placed on culinary tools, equipment, techniques, and specialty ingredients. The instructor will participate in all normal faculty duties such as student advising and orientation.

The Culinary Arts Technology Adjunct Instructor will be based at Bolivar County Regional Correctional Facility and will be responsible for teaching 1-2 Culinary Arts Technology classes to inmates each semester. The schedule for these specific classes will be developed in conjunction with the Culinary Arts Technology Adjunct Instructor.

More specifically, the instructor is responsible for the following:

DUTIES AND RESPONSIBILITIES

- Advise and keep records of student advisees by division and departmental policy and procedures
- Assist in the development of a term by term schedule of course offerings
- Assist the college in recruiting and retaining students in the program, Career-Technical division, and college as a whole
- Communicate to the students goals, objectives, and expectations of courses taught
- Demonstrate an interest in the students by providing assistance in the areas of guidance, student activities, and all registration processes
- Develop reports, local, state, and federal in an efficient accurate manner
- Encourage and monitor regular attendance of students and motivate students to maximum effort
- Keep accurate records of student grades, progress, and retention data
- Maintain consistent office hours in addition to teaching duties
- Maintain contact with appropriate business/industry or advisory groups

DUTIES AND RESPONSIBILITIES (cont.)

- Participate and coordinate in the assessment of the programs instructional needs and plan the delivery necessary to meet those needs
- Participate in professional development dedicated to understanding how to effectively and efficiently teach the curriculum which incorporates national standards, yields industry-recognized certifications, and increases academic foundations
- Revise/Project budget for the program
- Teaching courses to a diverse student body
- Work in conjunction with the Vice President of Instruction and the Dean of Career-Technical Adult Education to ensure a coordinated delivery of instruction, identification of students' needs, and development of courses that will meet students' needs
- Other duties as assigned by the Dean of Career-Technical & Adult Education

MANDATORY QUALIFICATIONS

- Must hold a minimum of an associate's degree in the teaching discipline or a closely related discipline. In appropriate, limited circumstances, MDCC also considers alternative qualifications such as other degrees, related work experiences, licensures, certifications, and documentation of teaching experiences.
- Two years of work experience within the last five years related to the program of study; five years or more is preferred.

DESIRABLE QUALIFICATIONS

- Preference may be given to applicants with a second teaching field as well as community college teaching experience.
- Comfortable use of computer/technology skills.

KNOWLEDGE AND SKILLS REQUIRED

- Ability to be a team player and demonstrate accountability for responsibilities.
- Ability to conduct or attend meetings in various locations across campus.
- Ability to conduct research and review and interpret published materials including analytical reports to inform decision-making, planning, and implementation of best practices, trends, and/or techniques in assigned areas.
- Ability to effectively communicate.
- Ability to exercise considerable initiative, independent judgment, discretion and confidentiality in performing tasks.\
- Ability to integrate technology in class.
- Ability to make difficult decisions and properly respond to sensitive situations.
- Ability to multitask and possess initiative.
- Ability to organize events and carry out major projects with minimal supervision and direction.
- Ability to perform all physical requirements common to the commercial and residential construction industry.
- Ability to work and communicate effectively with all college stakeholders including administrators, faculty, staff, students, and local patrons.

KNOWLEDGE AND SKILLS REQUIRED (cont.)

- Ability to work effectively with many constituencies in diverse communities including but not limited to contractors and/or vendors.
- Able to think creatively and respond timely to pressing deadlines.
- Broad understanding of and experience with issues and policies in public higher education and within a community college system.
- Dedicated to and appreciate the concept of the community college.
- Demonstrated effective use of technology.
- Effective planning, organizational, and time management skills.
- Highly attentive to detail.
- Must possess effective leadership skills that enable the success of the entire team.
- Strong sense of personal and professional integrity.
