Your 2026–2027 Free Application for Federal Student Aid (FAFSA) was selected for review in a process called verification. The law says that before awarding Federal Student Aid, we may ask you to confirm the information you reported on your FAFSA. To verify that you provided correct information, we will compare your FAFSA with the information on this institutional verification document and with any other required documents. If there are differences, your FAFSA information may need to be corrected. You must complete and sign this institutional verification document, attach any required documents, and submit the form and other required documents to us. We may ask for additional information. This information should be submitted as soon as possible so that your financial aid will not be delayed.

### B. Parents' Family Size Information

List the people your parent(s) will support between July 1, 2025 and June 30, 2026. Family size includes the following:

- The student and the student's parents, even if the student is not living with them. Exclude a parent who has died or is not living in the household because of separation or divorce. Include a parent who is on active duty in the U.S. Armed Forces apart from the family.
- The student's siblings if the following are true:
  - They live with the student's parents (or live apart because of college enrollment),
  - They receive more than half of their support from the student's parents, and
  - They will continue to receive more than half their support from the student's parents during the award year.

  - They receive more than half of their support from the student's parents, and
  - They will continue to receive more than half their support from the student's parents during the award year.

The provided criteria for "dependent children" or "other persons" align with the requirement that family size align with whom the parent could claim as a dependent on a U.S. tax return if the parent were to file a U.S. tax return at the time of completing the 2026-2027 FAFSA. As a result, the parent should not include any unborn children in the family size. If more space is needed, provide a separate page with the student's name and ID number at the top.

Write the name of the college below for any household member, excluding your parent(s), who will be enrolled at least half time in a degree, diploma, or certificate program at an eligible postsecondary educational institution any time between July 1, 2025 and June 30, 2026.

**IMPORTANT:** Parent(s)' college enrollment status is not considered for a dependent student.

If more space is needed, provide a separate page with the student's name and ID number at the top.
