<b>Total Hours: 5</b>				
<b>Advisor Initials:</b>				
<b>Date:</b>				

Rev. 17

Courses for the respective program must be completed in one semester in order to get credit.

A certificate of completion will be awarded to those who satisfactorily complete the phlebotomy curriculum.

Upon successful completion of the curriculum, students are eligible to take a national examination to become a Certified Phlebotomy Technician.

Students should consult the catalog of the university to which they plan to transfer for specific degree requirements.
